

GABRIANNA DUMAGUIN

| UX Designer & Developer

(510) 919-7827 | gabrianna@berkeley.edu | gabrianna.us | github.com/gabriannad

EDUCATION

University of California, Berkeley (2012 – present)

- Bachelor of Arts, Computer Science (Fall 2015), 3.519 GPA

EXPERIENCE

UX Design Intern at Constant Contact (Summer 2015)

- designed and coded the markup for various web pages and web app components
- built an interactive prototype for the redesign of CTCT's mobile app using proto.io
- evaluated different prototyping software for the mobile team
- guided a team of UX students at General Assembly for their project with Constant Contact

Course Instructor at Innovative Design (Fall 2014 – Spring 2015)

- taught beginner lessons for Adobe Photoshop and Illustrator to UC Berkeley students
- revised course materials, including homeworks, lessons, and projects
- led a small team of students to fulfill graphic design requests from campus organizations

Infographic Artist at The Daily Californian (Summer 2013 - Summer 2014)

- created infographics to accompany articles featured in The Daily Cal
- designed the informational brochure handed out to prospective sponsors and staff

SKILLS

- Illustrator, Photoshop, Sketch, proto.io, wireframing
- HTML, CSS, Python, Java, C
- Currently learning: Ruby on Rails, Swift

PROJECTS

Cal Community Music – calcommunitymusic.org

- rebranded the club by designing a new logo and giving the club an overall cohesive look
- redesigned, coded, and managed the club website (HTML, CSS, JavaScript/jQuery, Angular)

Spotter

- worked on a team of 5 to conduct user research and competitive analysis to develop the idea for Spotter, an Android app and smartwatch applet that helps weightlifters manage their workout routines and aids them in their exercises while at the gym
- designed the overall look and feel of the user interface

Journy (WIP)

- in charge of designing the UI for a mobile app that aims to make more meaningful narratives of the content we post through online social media platforms
